# ABOUT US

Founded in 1999, the Bryan ISD Education Foundation has one clear mission: to elevate student success and empower educators by funding the unmet needs of our schools.

Through community support, we help bridge the gap between what's provided and what's possible—so every student has the opportunity to thrive.

## Your Investment

At the Bryan ISD Education Foundation, we believe strong schools create strong communities—but we can't do it without you. Your support helps power opportunities for students and educators across Bryan ISD.

When you give, you're investing in innovation, excellence in teaching, and brighter futures for our students—whether they stay local or lead beyond the Brazos Valley.

Together, we can equip every student to succeed and every educator to inspire. Join us and help shape the future of our community.

## Our Impact

Since 1999, the Bryan ISD Education Foundation has invested over \$3 million directly into the future of our students and schools.

More than 1,200 graduating seniors have received over \$1.6 million to help launch their college, career, or military journeys. We've funded 605 innovative classroom grants totaling more than \$1 million, empowering teachers to bring creative ideas to life. On top of that, \$250,000 has supported special initiatives that go beyond the classroom to strengthen the entire district.

# OUR INITIATIVES

## Scholarships

Thanks to the incredible generosity of our donors, we've been able to award:

- 70 Bryan ISD seniors a total of \$155,000 in scholarships at the 2024 BISD Scholarship Night.
- 62 Teacher Certification Scholarships totaling \$221,000
- 2 Paraprofessional Undergraduate Scholarships totaling \$40,000

We are deeply grateful to the families, individuals, and businesses whose support made these awards possible.

## NEW: PAWS Program

Coming this fall: PAWS - Pups Assisting Wellness and Support!

This new program places trained comfort dogs in Bryan ISD schools to help support the emotional health of our students and staff, creating safe, welcoming spaces for all.

## Teacher Grants

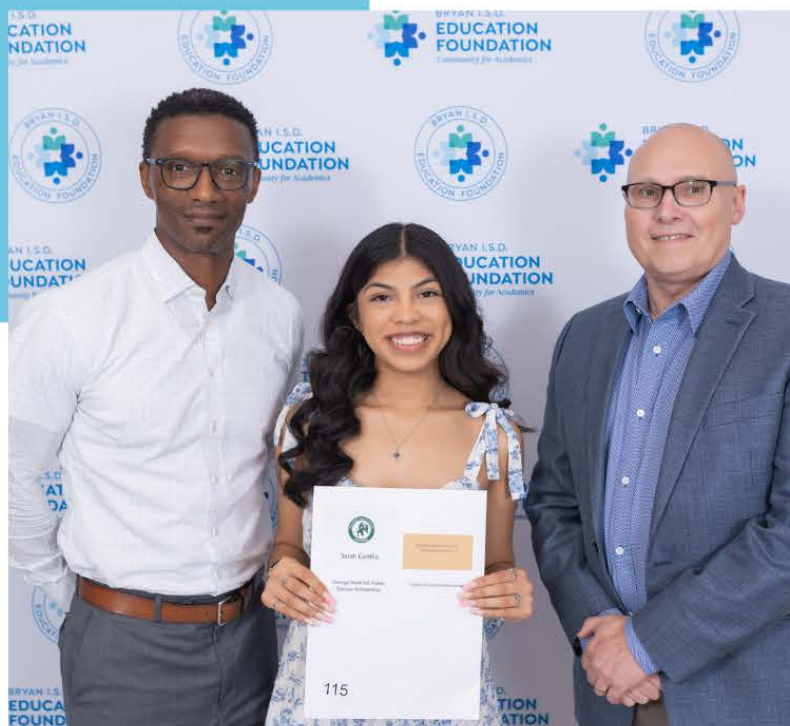

Each year, the Bryan ISD Education Foundation brings innovative ideas to life by awarding grants to educators across the district.

This year alone, we funded 56 grants across 23 campuses—totaling \$130,721 in support for creative, hands-on learning experiences. From 3D pens to a new BBQ pit, anatomy skeletons to musical instruments these projects are sparking curiosity and driving student success in unforgettable ways.
